DESIGN WORKSHOP

TODAY'S AGENDA

- PACT Program Overview
- Overview of Design Charrette Workshop
- Workshop

What Is PACT?

- NYCHA needs $40 billion to fully renovate and modernize its housing, but the federal government has provided only a fraction of the funding needed.

- Through PACT, developments are included in the Rental Assistance Demonstration (RAD) and convert to a more stable, federally funded program called Project-Based Section 8.

- PACT unlocks funding to complete comprehensive repairs, while keeping homes permanently affordable and ensuring residents have the same basic rights as they possess in the public housing program.

PACT Investments & Improvements

Renovated apartment at Twin Parks West

Site improvements at Baychester

Repaired roof and solar panel system at Ocean Bay (Bayside)

Renovated building entrance at Ocean Bay (Bayside)

How PACT Works

PACT depends on partnerships with private and non-profit development partners, who are selected based on resident input.

COMPREHENSIVE REPAIRS

Development partners bring design and construction expertise. They address all the physical needs at the development.

PROFESSIONAL MANAGEMENT

Property management partners are responsible for the day-to-day operation and upkeep of the buildings and grounds.

ENHANCED SERVICES

Partnerships with social service providers help improve on-site services and programming through input from residents.

PUBLIC CONTROL: NYCHA & RESIDENTS

Your development will remain under public control. After conversion, NYCHA will continue to own the land and buildings, administer the Section 8 subsidy and waitlist, and monitor conditions at the development. Where needed, NYCHA can step in to resolve any issues that may arise between residents and the new property management team.

** PACT uses the Rental Assistance Demonstration (RAD), which was designed to ensure that as developments transition to the Section 8 program, homes remain permanently affordable, and residents have the same basic rights as they possess in the public housing program.*
