# SECTION 8 OVERVIEW

# **PACT Overview**

# What Is PACT?

- NYCHA needs \$78.3 billion to fully renovate and modernize its housing, but the federal government has provided only a fraction of the funding needed.
- Through PACT, developments are included in the Rental Assistance Demonstration (RAD) and convert to a more stable, federally funded program called Project-Based Section 8.
- PACT unlocks funding to complete comprehensive repairs, while keeping homes permanently affordable and ensuring residents have the same basic rights as they possess in the public housing program.

## PACT Investments & Improvements

*Renovated apartment at Twin Parks West*

*Site improvements at Baychester*

*Repaired roof and solar panel system at Ocean Bay (Bayside)*

*Renovated building entrance at Ocean Bay (Bayside)*

# How PACT Works

PACT depends on partnerships with private and non-profit development partners, who are selected based on resident input.

## COMPREHENSIVE REPAIRS

Development partners bring design and construction expertise. They address all the physical needs at the development.

## PROFESSIONAL MANAGEMENT

Property management partners are responsible for the day-to-day operation and upkeep of the buildings and grounds.

## ENHANCED SERVICES

Partnerships with social service providers help improve on-site services and programming through input from residents.

## PUBLIC CONTROL: NYCHA & RESIDENTS

Your development will remain under public control. After conversion, NYCHA will continue to own the land and buildings, administer the Section 8 subsidy and waitlist, and monitor conditions at the development. Where needed, NYCHA can step in to resolve any issues that may arise between residents and the new property management team.

*Betances*

*Ocean Bay (Bayside)*

\* PACT uses the Rental Assistance Demonstration (RAD), which was designed to ensure that as developments transition to the Section 8 program, homes remain permanently affordable, and residents have the same basic rights as they possess in the public housing program.

# PACT Resident Protections

## RENT CALCULATION

Residents **continue to pay 30% of their adjusted gross household income** towards rent.\*

\*Exceptions may apply to households who pay flat rent; are current tenant-based Section 8 participants; are a mixed family as defined by HUD; or who signed a non-public housing over-income lease.

## FEES & CHARGES

Residents do not have to pay **any additional fees, charges, or utility expenses** that are greater than what they currently pay.

## SECTION 8 ELIGIBILITY

Federal rules prohibit the rescreening of current households for Section 8 eligibility. This means that all existing households residing at the development will **automatically qualify** for the Project-Based Section 8 program regardless of their income eligibility, criminal background, or credit history.

## AUTOMATIC LEASE RENEWAL

Households will sign a new PACT Section 8 lease, which emulates the Public Housing lease; it **automatically renews** each year and cannot be terminated except for good cause.

## TEMPORARY RELOCATION

In some cases, due to the extent of the construction work, temporary moves may be necessary. Residents have the **right to return** to their original apartment after the renovations are complete, and the PACT partner will pay for any packing and moving expenses.

## RIGHT-SIZING

All households who are over- or under-housed must **move into an appropriately sized apartment** when one becomes available within their development. This is a Public Housing and Section 8 requirement.

## RESIDENT ORGANIZING

Residents continue to have **the right to organize**, and resident associations will receive \$25/unit in **Tenant Participation Activity (TPA) funding**.

## GRIEVANCE HEARINGS

Residents continue to have the **right to initiate grievance hearings** with a third-party mediator.

## JOB CREATION

The PACT partner is required to set aside 25% of all labor hours **for NYCHA residents** seeking employment in construction or property management.

# PACT Resident Protections

How will your rent be calculated after conversion?

- Residents who transition to the Section 8 program will **continue to pay 30% of their adjusted gross household income** towards rent.\*

- **Check to see if your household has any rental arrears.**  
All rental arrears will transfer to the new property manager.
- If your income changes, **submit an interim recertification** request- do this through the Section 8 Self-Service Portal

- When an appropriate-sized unit becomes available in the development, the **household must move within a reasonable period of time**, as determined by NYCHA Leased Housing.
- This is a **requirement of the Section 8 program**.

*Kitchen and living room renovations at Twin Parks West.*

# PACT Resident Protections

Can I move with my new Section 8 voucher?

- You can use a Section 8 Choice Mobility Voucher to transfer **anywhere within New York City or to another city or state** housing agency that administers the Section 8 Housing Choice Voucher Program.
